E-waste event is major success as over 400 cars recycle their electronics

SENATOR JOSEPH P. ADDABBO, JR. November 23, 2020

| ISSUE: **E-WASTE, ELECTRONICS RECYCLING, ADDABBO**

On Sunday, November 15, State Senator Joseph P. Addabbo, Jr. joined Assemblyman Mike Miller and Councilman Robert Holden to invite the Lower East Side Ecology Center to Forest Park for an e-waste recycling event. Over 400 cars came to the event to get rid of their electronic waste. Addabbo would like to thank Assemblyman Miller, Councilman Holden, all the staff, the 104COP for helping mitigate the traffic, as well as the Lower East Side Ecology Center crew for their amazing work in bringing this service to the community.
