| ISSUE: **OLDER NEW YORKERS DAY**

The New York State Office for the Aging recognized 87 volunteers nominated by 49 county Offices for the Aging statewide.

The New York State Office for the Aging (NYSOFA) recently celebrated "**Older New Yorkers' Day**" and issued its annual recognition of volunteers making a difference for older New Yorkers locally, regionally and statewide.

The NYSOFA recognized 87 volunteers nominated by 49 county Offices for the Aging throughout New York, including, this year, Chemung, Schuyler, Steuben, and Tompkins counties. View the NYSOFA virtual celebration event [HERE](#).

From the NYSOFA: "Annually, Older Americans Month highlights the incredible efforts and diverse contributions older adults make to their communities. In New York, there are almost 1 million volunteers age 55+ who contribute approximately 500 million hours of service each year at an economic value of more than \$13 billion. The 2020 Older Americans Month theme is 'Make Your Mark,' which perfectly captures the role older New Yorkers are making during this pandemic. Their time, experience, and talents benefit family, peers, and neighbors every day. This year's theme highlights the difference everyone can make to support and strengthen their communities."

Senator O'Mara said, "What a great honor for all of the outstanding and meaningful service these area seniors have provided to so many of their fellow seniors and their communities throughout the Southern Tier and Finger Lakes regions. It's a fitting tribute to the thousands of hours they've volunteered, which have made such a difference in so many lives."
