Senator Biaggi joins AARP New York, City and State NY & the Bronx delegation to Support Aging New Yorkers

ALESSANDRA BIAGGI December 3, 2020

It was great to join AARP New York, City and State NY & the Bronx delegation to talk about how we can continue to fight for our aging New Yorkers – like expanding wifi access, protecting food assistance, and my bill to tackle big pharma and the rising cost of prescription drugs. Shout out to our gracious moderator, Zach Williams!
