

NEW YORK STATE SENATOR

Alessandra Biaggi

Senator Biaggi Joins a Broad Coalition of Workers, Advocates, Community Organizations, and my Colleagues in Government to Make Loud and Clear that We Must Put People Over Profit.

ALESSANDRA BIAGGI December 10, 2020

Senator Biaggi joined a broad coalition of workers, advocates, community organizations, and my colleagues in government to make loud and clear that we must put people over profit. The Bronx has the highest unemployment rate in the state, is facing severe food insecurity, and is on the brink of an eviction crisis.

We must return to session before the end of the year to pass revenue raisers, and meet the

urgent needs of New Yorkers.
