| ISSUE: **RESTAURANTS, CORONAVIRUS PANDEMIC; COVID-19, SMALL BUSINESS**

The restaurant industry has been one of the hardest hit sectors through the COVID-19 pandemic. More action needs to be taken to help these hardworking business owners and employees that are such a vital part of our economy. Senator Jordan announced a new program launching, the “Raising the NYS Bar Restaurant Recovery Fund,” in effort to help support our local bars and restaurants. Starting Monday, January 11, full-service restaurants and bars can apply for \$5,000 state grants.
