Senate Majority Passes Election Reforms Strengthening and Streamlining Absentee Voting

SENATOR ANNA M. KAPLAN January 11, 2021

| ISSUE: [ABSENTEE VOTING](#), [EMPOWERING VOTERS](#), [NO EXCUSE ABSENTEE VOTING](#)

Senator Anna M. Kaplan (D-Great Neck), together with the Senate Majority, started the 2021 Legislative Session by advancing major voting reforms to improve New York State's electoral system and empower voters. The bills advanced by Senator Kaplan build on the historic election reforms passed during the 2019 and 2020 Legislative Session. The pro-voter bill package includes legislation to enable greater access to using absentee ballots and ensuring they are counted, no-excuse absentee voting, and an absentee ballot tracking system.

Senator Anna M. Kaplan said “this past election, we saw an historic number of New Yorkers exercise their right to vote through absentee ballots, exposing numerous weaknesses and inefficiencies in our existing laws that must be remedied in order to make the process easier, and fully respect the will of voters. The bills being advanced by the Senate Majority today will ensure that our right to vote, a sacred pillar of our democracy, is strengthened and accessible to all New Yorkers, and I thank my Senate Majority Colleagues and Majority Leader Stewart-Cousins for their leadership to advance these important bills.”

The bills advance by Senator Kaplan and the Senate Majority include:

- **Speeding Up the Absentee Ballot Counting Process:** This bill, [S.1027](#), sponsored by Deputy Majority Leader Senator Michael Gianaris, amends various provisions of the Election Law in order to allow for expedited review and canvassing of absentee ballots without compromising the integrity of elections.
- **Preventing Disenfranchisement of Absentee Voters:** This bill, [S.253](#), sponsored by Senate Elections Committee Chair, Senator Zellnor Myrie, prohibits voiding absentee ballots on technicalities where intent of voters is clear and the law has been substantially complied with, including where there are stray marks or the ballot is undated but is time stamped by the Board of Elections.
- **Permanently Authorizing Absentee Ballot Drop Boxes:** This bill, [S.492](#), sponsored by Senator Brad Hoylman, authorizes the Board of Elections to establish absentee ballot drop-off locations or drop-boxes to provide voters with a convenient and secure option for delivering their absentee ballots.
- **Increasing Transparency and Information about Absentee Ballots through a Tracking System:** This bill, [S.1028](#), sponsored by Senator Leroy Comrie, ensures that all voters in the state have access to absentee ballot tracking by requiring the New York State Board of Elections to create a statewide absentee ballot tracking system for absentee voters ensure

that their vote is counted in the election while allowing counties and the New York City Board of Elections to also maintain their own absentee tracking systems.

- **Implementing Permanent Authorization for Applying for Absentee Ballots Online:** This bill, [S.632](#), sponsored by Senator Robert Jackson, permanently allows voters to apply for absentee ballots online and allows absentee ballots postmarked through Election Day by making permanent Chapter 91 of the Laws of 2020, which sunset on December 31, 2020. Under current Election Law, applications may only be made by mail or fax.
