

NEW YORK STATE SENATOR

Robert G. Ortt

A Statement From NYS Senate Republican Leader Rob Ortt

ROBERT G. ORTT January 19, 2021

| ISSUE: **2021 EXECUTIVE BUDGET**

“Today’s 2021 Executive Budget presentation was full of wishful thinking but lacked any sort of tangible substance. The Governor continues to shift blame to the federal government while Albany Democrats skirt responsibility and allow the Governor to make all of the decisions unilaterally. New York’s overtaxing and overspending far predate COVID, and it’s time for the state government to realize that on behalf of our struggling businesses and middle-class families. This is poor financial management and poor governing.”
