| ISSUE: **VIRTUAL OFFICE HOURS, CONSTITUENT SERVICES**

Saugerties, NY... Senator Michelle Hinchey's constituent services team is launching their first series of virtual office hours throughout the 46th Senate District during the months of February and March, upholding their commitment to providing convenient and continuous support to the communities they serve.

Senator Hinchey represents the 46th Senate District, which covers 150 miles across the

Hudson Valley, Mohawk Valley, and Capital Region, and includes all of Greene and Montgomery counties and parts of Albany, Schenectady, and Ulster counties.

“Constituent services are at the core of everything we do, and it’s important that folks in the 46th District have a direct line of communication with our office,” **said Senator Hinchey.**

“Baking in virtual office hours as part of our constituent services offerings will provide local residents with a convenient way to receive one-on-one support and the opportunity to ask questions, discuss local issues, and get the information and assistance they need. We’re here to be a resource, and we want our neighbors to know that they can turn to us if they’re facing a problem or simply to make their voice heard on an issue important to them.”

Virtual office hours with the Senator’s team will take place via Zoom video conference during the months of February and March. Assistance is available in both English and Spanish.
