Senator Helming Statement on Judge's Ruling Temporarily Lifting 10 pm Restaurant Curfew

PAMELA HELMING February 5, 2021

| ISSUE: **RESTAURANTS, SMALL BUSINESS**

“The judge’s ruling temporarily lifting the 10 pm curfew is good news for those restaurants and bars that will be helped by it. Now, I hope the Governor will do the right thing and lift the 10 pm curfew for all of New York’s restaurants and bars. These businesses have been among the hardest hit during the pandemic. One of the best ways the state can help these owners and their employees is by allowing their businesses to open and stay open. I will continue to fight for this.”
