

NEW YORK STATE SENATOR

Robert G. Ortt

A Statement From Senate Republican Leader Rob Ortt

ROBERT G. ORTT February 27, 2021

| ISSUE: **GOVERNOR ANDREW CUOMO; SEXUAL HARASSMENT**

The latest allegations about Governor Cuomo's conduct are incredibly disturbing. The review suggested by someone handpicked by the Governor himself, is an outrageous, completely unacceptable idea. We need a truly independent investigation, which is why I continue to support the calls of my colleagues for a Special Prosecutor appointed by the Attorney General.

I will be convening members of the Senate Republican Conference tomorrow morning to discuss these egregious allegations and any next steps that our conference must take.
