ISSUE:

- [Coronavirus Pandemic; COVID-19; Nursing homes](#)
- [Nursing Home Deaths](#)

"Governor Cuomo held a nearly two hour press conference yesterday and still failed any semblance of accountability to the families of loved ones lost in nursing homes due to his Administration's handling of COVID-19. Yesterday's press conference makes it abundantly clear that an independent investigation must take place and the legislature must begin hearings immediately to uncover the truth of what really happened."
