

NEW YORK STATE SENATOR

Michelle Hinchey

Senator Michelle Hinchey Statement on Voting to Repeal the Governor's Executive Powers

MICHELLE HINCHEY March 5, 2021

| ISSUE: **EXECUTIVE POWERS**

q

Our state government is at its best when the Legislature is an equal partner with the Executive Branch. As more details on the willful mishandling of information come to light, it is clear that more transparency and accountability are immediately needed. Today, we are ensuring a system of increased oversight and input into Executive action by restoring the Legislature to its rightful role as the branch of government most connected to the people of

New York. I will always fight for our Upstate communities to have a real seat at the table, and this legislation will give us a greater voice in decision-making during this public health emergency. That's why I am voting, with my colleagues, in favor of repeal."
