| ISSUE: **WOMEN'S HISTORY MONTH; COVID-19 VACCINE**

Dear Neighbor,

Please join Senator Shelley Mayer and me for our Women's History Month virtual celebration on Tuesday, March 23rd at 7:00 p.m., as we recognize women from our districts who went above and beyond during the pandemic to help others. I will be recognizing Phyllis Shelton of New Rochelle, Shih-Ying Sun of Dobbs Ferry, and Dara Gruenberg of Scarsdale. Learn why these three inspiring women, and more are being honored and come celebrate the extraordinary women in our community! You can join us on [Zoom](#) or [Facebook](#).

Since the start of the pandemic,

it's been critically important to deliver necessary PPE and hand sanitizer to those on the frontline and our essential workers. In the fall, my team distributed 40,000 masks and hand sanitizers to more than 137 local community organizations, nonprofits, religious groups and businesses across the district. We continue our efforts, and ask if your organization needs masks and/or hand sanitizer to please fill out this [form](#), and a member of my staff will be in touch.

Lastly, please do not hesitate to call my office if you are eligible for the COVID-19 vaccine and cannot book an appointment. Beginning on [Tuesday](#) at 8:00 a.m., anyone 50 and older can receive a vaccine. My office has updated our [weekly list](#) of pharmacies, clinics, and hospitals that carry the vaccine and may have available appointments. Eligible residents can also book an appointment at a mass vaccine site [here](#) or by calling the State COVID-19 Vaccine Hotline at: 1-833-697-4829. Additionally, [CVS](#) and [Rite Aid](#) have opened up COVID-19 vaccines to some eligible residents in New York, and Westchester County is providing free transportation to

vaccine appointments for seniors and disabled residents. You can make a reservation with the County paratransit at (914) 995-7272. Reservations must be made at least 24 hours in advance of appointment.

As always, please don't hesitate to email me at scousins@nysenate.gov or call my office at (914) 423-4031, if you have any questions or issues of concern.

Over the weekend, I joined community members for a rally in Ardsley to denounce the rise in hate incidents targeting Asian-Americans. We must stand united against hate and always work to denounce it in all its forms. Hate is a virus and light is the best vaccine. I want to personally thank student Megha Ravi and the entire Ardsley High School Asian Student Union for organizing the event, speaking out powerfully through personal experience, uplifting Asian voices, and rallying our community in support of love not hate.

On March 15th, the State Senate passed its one-house budget proposal in response to the Governor's Executive Budget. The Senate Majority's one-house budget resolution delivers emergency aid to help New York recover from the COVID-19 pandemic and invests in a

brighter, more equitable future for our children. The Senate resolution increases total school aid by \$5.7 billion, with a full phase-in of Foundation Aid over three years, provides billions in residential and commercial rental and foreclosure assistance, and restores critical funding to our health care system, among other things. To learn more, click [here](#). My colleagues and I are focused on delivering an on-time and balanced state budget by April 1st for New Yorkers.
