WHEREAS, A transcript has been released of a meeting in which a top aide to the Governor admitted that the administration froze information on COVID-19 related nursing home deaths in response to a request from the U.S. Department of Justice; and

WHEREAS, It has been alleged by one member of the Assembly that the Governor threatened the member's career as political retribution; and

WHEREAS, Recent widely and publicly available reports by the press contain allegations by at least four former employees of the Executive detailing pervasive sexual harassment by the Governor; and
