Senator Serrano Hosts Scam Prevention Workshop for Seniors

JOSE M. SERRANO March 3, 2021

On March 3rd, Senator Serrano held a Virtual Scam Prevention Workshop for Seniors with Project Find and the NYPD 20th Precinct.

"The pandemic has caused a new wave of scams targeting our most vulnerable," said Senator Serrano. "Thank you to Project Find and the NYPD 20th Precinct for ensuring older New Yorkers can recognize, avoid, and report fraudulent activity when they encounter it."
