

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Statement From Senate Majority Leader Andrea Stewart-Cousins on SCOTUS Hearing Challenge to Roe v. Wade & Planned Parenthood v. Casey

ANDREA STEWART-COUSINS May 17, 2021

| ISSUE: **REPRODUCTIVE HEALTH**

“Today's announcement that the Supreme Court has agreed to hear a challenge related to Mississippi's abhorrent attempts to ban women's reproductive health choices that could threaten the standing of Roe v. Wade and Planned Parenthood v. Casey is deeply concerning. It also emphasizes the importance of our strong Senate Democratic Majority. I am so proud that one of my first acts as Senate Leader was to finally pass the Reproductive Health Act to codify these protections for women. I truly hope that the Supreme Court will uphold these protections for women as the lower courts have; however, our fight will continue.”
