On Wednesday, June 16, State Senator Addabbo, Jr. joined other community leaders, students, faculty and staff at P.S. 63 in Ozone Park to celebrate the ribbon cutting of the school's brand new Global Rainbow Garden. The garden features an outdoor learning space, as well as an international garden where students planted flowers from their families' countries of origin. Addabbo congratulated the school on their new garden and wished the students much success in using this great outdoor space to continue their education.
