| ISSUE: **SENATOR BRAD HOYLMAN, SD 27**

“I’m grateful that this sad chapter in New York’s history is coming to an end thanks to the inspirational courage of the women who came forward to share their stories in the Attorney General’s report. I look forward to working with incoming Governor Kathy Hochul to address the severe problems facing our state, including the ongoing COVID-19 pandemic and its impact on New York’s most vulnerable. It’s my sincere hope that a change in leadership in Albany will mark a new era of cooperation and collaboration between the Legislature and the Governor for the betterment of all New Yorkers.”
