Senator Helming Statement on Governor Cuomo's Resignation

PAMELA HELMING August 10, 2021

"This is the first step to begin to restore trust and confidence in our state government. Again, I express my gratitude to the brave women who came forward. The work toward justice and accountability must continue, for these women, and for the 15,000-plus nursing home and long-term care residents who died of COVID-19.

Lieutenant Governor Kathy Hochul has dedicated her career to public service. She and I have worked together on a number of projects important to the 54th District. She has visited our district many times over the years, and as recently as two weeks ago. I am confident that Governor Hochul will help us move forward, together, as a state. I look forward to working with our first female Governor."
