Palumbo Renews Call for Governor to Resign after AG's Bombshell Report

ANTHONY H. PALUMBO August 3, 2021

| ISSUE: **ATTORNEY GENERAL INVESTIGATION OF GOVERNOR CUOMO**

q

On March 11th of this year I called on Governor Cuomo to resign after numerous sexual harassment and assault accusations were made against him. Today, after the findings of the Attorney General's Report, I renew my call for him to resign immediately. If the Governor, driven by his arrogance and hubris refuses to resign,

then the Assembly Democratic Conference must take immediate action and begin Impeachment proceedings. The Attorney General's report makes it clear that he is no longer fit to serve the people of New York as its top Executive. I commend the brave women who showed the courage to expose the pervasive culture of abuse and harassment in the top echelons of our State Government. The State of New York and women around the world are indebted to their bravery.
