“Congratulations to New York State Governor Kathy Hochul on making history! I look forward to working with Governor Hochul to move our state forward. I’m praying for her success because I want our state – and all New Yorkers – to succeed. With her deep Upstate roots, I’m hopeful that Governor Hochul will make advancing an agenda that helps Upstate, and recognizes our unique challenges and opportunities, a top, bipartisan priority. We have much work to do: it’s time to write a positive, new chapter – and create a brighter future – for New York State.”
