**Meet with my staff at a
mobile office hour near you.**

Masks are required.

ALBANY, NY – State Senator Michelle Hinchey (SD-46) today announced that her office will host mobile office hours across the 46th Senate District during the month of September, continuing her goal to bring state government resources directly to the communities she serves.

“As your State Senator, I want to be a resource for everyone living in the 46th, but with a district spanning nearly 2,000 square miles, I know it may be difficult for some to travel to

my office to receive the help they need. My team and I are committed to making sure that everyone, no matter where they live, has easier access to the help we provide, so we're taking our services on the road," **said Senator Michelle Hinchey.** "Starting this month at libraries and town halls across our five counties, residents can meet one-on-one with my constituent services team if they need assistance with a problem or to share their perspective on issues facing our district. We're working to bring state government to you, and I encourage community members to take advantage of this opportunity and visit one of our upcoming mobile office hours this September."

During the month of September, Senator Hinchey's staff will be available for mobile office hours at the dates and locations listed below.
