On Friday, September 24, over 60 residents came out to the Woodhaven Business Improvement District office on Jamaica Avenue to get a free COVID-19 antibody test provided by Valhalla Medics. Senator Joseph P. Addabbo, Jr. wants to thank the Woodhaven BID for their partnership on this successful event, and Valhalla Medics for administering tests and giving people the peace of mind that they have the COVID-19 antibodies protecting them. Addabbo is planning to schedule another event in October.
