"This was the 12th year that I have held this event, and after COVID forced us to do a grab-and-go lunch last year, I really wanted to make this one special," Addabbo said. "I was so happy to see our veterans come out to the Howard Beach Motor Club and safely celebrate.

As I like to say, every day is Veteran's Day, and I am proud that the community was able to come together for such a great event and show our veterans how much they are appreciated."
