Free Smoke Alarms Available for Constituents through Red Cross

SENATOR KEVIN THOMAS | October 5, 2021

| ISSUE: AMERICAN RED CROSS, SOUND THE ALARM, FIRE PREVENTION, SMOKE ALARMS, FREE SERVICES

Keeping our residents safe is my top priority. That's why I'm helping the American Red Cross **Sound the Alarm** about home fires. *Seven people die every day in a home fire*, and recently, there have been several tragedies in our own community that have brought attention to this terrible reality.

To help save lives, I have partnered with the Red Cross and local groups to install free smoke alarms in homes throughout our district, and to help families develop emergency escape

plans . If you don't have a working smoke alarm, please [click on this link](#), or call my office at (516) 739-1700 to set up an appointment to get a free smoke alarm installed in your home.
