NYS SENATOR LUIS SEPÚLVEDA

Workforce Diversification Project

OCTOBER 2021

As New Yorkers attempt to return to normalcy, many of our neighbors are still recovering from the effects of the COVID-19 pandemic. Bronxites were disproportionately impacted by the pandemic and experienced higher deaths, hospitalizations, and unemployment rates than any other borough. As of July 2021, the Bronx's unemployment rate was 13.9% — New York's highest jobless rate.

The **Workforce Diversification Project** was created to help combat the unemployment rate in the Bronx. This resource is divided into two parts: Part 1 lists current job openings and Part 2

lists trainings, classes, internships, grants for not-for-profits, webinars, and after school programs. Each month, my office will be sharing an updated document with constituents to ensure they receive current job openings and training opportunities.

Please [click the link here](#) to access the latest Workforce Diversification Project.

Know of an opportunity you would like shared in next month's edition? Share it with me at jobs@senatorsepulveda.com.
