

## **2021-J1427**

Senate Resolution No. 1427

BY: Senator PARKER

RECOGNIZING April 4-8, 2022, as Cancer Registrar  
Appreciation Week

WHEREAS, The State of New York takes great pride in recognizing its  
dedicated professionals; and

WHEREAS, Cancer Registrars across the country will be recognized for  
their hard work and dedication during the week of April 4-8, 2022; and

WHEREAS, Cancer Registrars report cancer cases to the State central  
registries, and are responsible for analyzing the staging of this  
disease and reporting the first course of treatment; and

WHEREAS, They continue their efforts with a life-long follow-up with  
each patient, documenting their treatment and survival; and

WHEREAS, This information is used by the National Cancer Institute,  
the American Cancer Society, and researchers in the development of new  
treatments and finding the "clusters" which may be trouble spots within  
a state; and

WHEREAS, There are 240 hospitals in New York State reporting over  
100,000 cases of cancer each year; and

WHEREAS, There are currently 422 certified Cancer Registrars in New

York State; they have all received national certification, which must be maintained with continuing education; and

WHEREAS, The hard work, expertise, and dedication of these remarkable professionals are tremendous assets in the fight against cancer; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to recognize April 4-8, 2022, as Cancer Registrar Appreciation Week; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to the New York State Cancer Registrars Association.
