SENATOR JOSEPH P. ADDABBO, JR. January 5, 2022

| ISSUE: **2022 STATE OF THE STATE, 2022 STATE OF THE STATE ADDRESS, ADDABBO**

“Governor Hochul’s State of the State set forth a starting point for an ambitious blueprint to navigate through the challenges of the COVID pandemic and allow our state government to have a productive session/budget that benefits New Yorkers. I look forward with optimism towards working with the administration in addressing the needs of our residents. I believe the Governor’s realistic vision of confronting all aspects of the COVID pandemic, including its effect on families, businesses, the workforce and education, as well as dealing with everyday issues such as those related to public safety, the environment and job creation will have a long-term benefit to my constituents.”
