Addabbo comments on inclusion of downstate casino licenses in NYS Executive Budget

SENATOR JOSEPH P. ADDABBO, JR. January 18, 2022

| ISSUE: **2022-2023 EXECUTIVE BUDGET, EXECUTIVE BUDGET, DOWNSTATE CASINOS GAMING, GAMBLING, ADDABBO**

“Today’s Executive Budget released by Governor Kathy Hochul presents a fiscal path forward for New York State during these difficult times. I believe the inclusion of expediting the three full casino licenses for our downstate region has the potential to bring in \$1.5 billion in revenue for the state, additional educational funding and improvements to problem gambling programs. I look forward to continuing to work with the Hochul administration and the Gaming Commission to ensure that gaming in the state expands and advances in a credible, reasonable manner.”
