Senator Elijah Reichlin-Melnick presents Cornerstone Speech and Language with Empire Award

ELIJAH REICHLIN-MELNICK January 21, 2022

PEARL RIVER, NY - Senator Elijah Reichlin-Melnick presented a New York State Senate Empire Award to Cornerstone Speech and Language in Pearl River, in recognition of the vital services they provide to children and families in Rockland County.

Cornerstone Speech and Language is a small business that provides vital Early Intervention services, giving parents much needed options in our county where early intervention services are sparse. They work with a vulnerable population of children to overcome speech

and learning disabilities. Centrally located in Pearl River, Cornerstone's work revolves around direct learning in the community and getting children acclimated to their environment.

State Senator Elijah Reichlin-Melnick (D-Rockland/Westchester) said, "I was honored to present speech language pathologists, and owners of Cornerstone Speech and Language, Brynn Gill and Briana McKenna with a NYS Empire Award for filling an extremely important niche in our community, serving children and families with developmental delays so that they can live their lives to the fullest."

Brynn Gill and Briana McKenna, owners of Cornerstone Speech and Language, said, "We are humbled in receiving this award. Our mission, when opening our doors 4 years ago, was to provide quality speech, language, feeding, and social language support and resources to individuals right here in our community. It has been an incredible journey not only working with our clients but collaborating with such gifted professionals, many of which work in our schools or their own small businesses in Rockland County. We are passionate about making a difference in the lives of each of our clients and are so grateful to work with such amazing families."
