

NEW YORK STATE SENATOR

James Sanders Jr.

Sign up for a Free Smoke Alarm & Carbon Monoxide Detector (CLOSED for 2022)

SENATOR JAMES SANDERS JR. February 3, 2022

Senator Sanders participation in this program has closed for 2022. Those interested in receiving free smoke alarms and carbon monoxide detectors MUST CONTACT THE RED CROSS DIRECTLY at (877) 733-2767.

~~Keeping our citizens safe is our top priority. That's why Senator James Sanders Jr. is helping the American Red Cross Sound the Alarm about home fires. Seven people die every day in a home fire. To help save lives, the Red Cross and local groups are installing free smoke alarms and carbon monoxide detectors and developing family escape plans in high risk neighborhoods. If you don't have a working smoke alarm or carbon monoxide detector, please click on the~~
