

## 2021-K554

Assembly Resolution No. 554

BY: M. of A. Sayegh

MEMORIALIZING Governor Kathy Hochul to Proclaim  
February 13, 2022, as Radio Day in the State of New  
York, in conjunction with the observance of World  
Radio Day

WHEREAS, It is the practice of this Legislative Body to acknowledge  
and celebrate individuals and events of historic significance to this  
great Empire State; and

WHEREAS, Attendant to such concern, and in full accord with its  
long-standing traditions, this Legislative Body is justly proud to  
memorialize Governor Kathy Hochul to proclaim February 13, 2022, as  
Radio Day in the State of New York, in conjunction with the observance  
of World Radio Day; and

WHEREAS, German physicist Heinrich Hertz discovered radio waves in  
1887, a milestone which paved the way for numerous advances in  
communication technology; and

WHEREAS, According to the National Aeronautics and Space  
Administration (NASA), radio waves have the longest wavelengths in the  
electromagnetic spectrum, and radio devices work by receiving these  
electromagnetic radio waves and converting them to mechanical vibrations  
in the speaker to create the sound waves you can hear; and

WHEREAS, Frequency modulation (FM) system of radio broadcasting, which is now the home of most music stations, was invented in Yonkers in 1937 by Edwin Armstrong; and

WHEREAS, Radio has the ability to cross international boundaries and bring news, entertainment and hope to those who live in unfree societies; on July 11, 1943, Anne Frank, while hiding from the Nazis, wrote in her diary, "the radio, with its wondrous voice, helps us not to lose heart and to keep telling ourselves, 'Cheer up, keep your spirits high, things are bound to get better'"; and

WHEREAS, Radio has advanced the cause of science even beyond the boundaries of planet Earth, as well enabling humanity to listen to radio waves emanating from distant planets and communicate with astronauts exploring space; which would otherwise be impossible; and

WHEREAS, On July 21, 1969, American astronaut Neil Armstrong used radio communication to transmit a message from the surface of Earth's moon: "That's one small step for man, one giant leap for mankind"; and

WHEREAS, Recognizing the importance of radio to freedom of speech, press and expression, as guaranteed by the 1st Amendment to the United States Constitution, all efforts to censor radio are to be condemned; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to memorialize Governor Kathy Hochul to proclaim February 13, 2022, as

Radio Day in the State of New York, in conjunction with the observance of World Radio Day; and be it further

RESOLVED, That copies of this Resolution, suitably engrossed, be

transmitted to The Honorable Kathy Hochul, Governor of the State of New York; and the Yonkers Historical Society.
