State Senator Joseph P. Addabbo, Jr. collected Valentine's Day cards from students at P.S. 146 in Howard Beach and P.S. 114 in Rockaway, and on Thursday, February 24, he delivered the cards to St. Albans Veterans Administration Medical Center where they would be distributed to the veterans there. Normally Addabbo would hand-deliver the cards directly to the veterans, but with COVID restrictions in place he could only make the drop off of the cards.
