Senator Mario Mattera (2nd Senate District) and his staff recently held a donation drive at his district office in Smithtown for the displaced citizens of Ukraine and were overwhelmed by the generous outpouring of support from the community.

Working with staff and students of the [Kings Park Central School District](#) and local nonprofit [Nobody Starves on Long Island](#), Senator Mattera welcomed dozens of thoughtful and charitable residents who dropped off boxes full of supplies filled with clothing, medical supplies and pet care.

All donated items will be shipped overseas to assist those impacted by the Russian invasion.

“This unwarranted assault on Ukrainian families has been countered by the kindness of our community and we are truly grateful to all who have helped in this effort. Thank you to Nobody Starves on Long Island and everyone at the Kings Park School District for their selfless work. Together, we can bring hope to those who are suffering,” stated Senator Mattera.
