Addabbo statement on cowardly attack of Sikh man over the weekend

SENATOR JOSEPH P. ADDABBO, JR. April 4, 2022

| ISSUE: **SIKH AMERICAN COMMUNITY, NEW YORK POLICE DEPARTMENT, RICHMOND HILL, ADDABBO**

“The attack on the 70-year-old Sikh man in Richmond Hill over the weekend was a despicable display of hatred and cowardice. Nirmal Singh did nothing to provoke this heinous assault, and after any attack on a person of a specific race or religion, we must look into it as a possible hate crime. I will offer whatever assistance is needed by the NYPD in their search for this suspect and I my thoughts are with Mr. Singh and the entire Sikh community of Richmond Hill.”
