Statement by Senator George Borrello on Court of Appeals Ruling

GEORGE M. BORRELLO April 27, 2022

| ISSUE: **REDISTRICTING, ELECTORAL MAPS, INDEPENDENT REDISTRICTING COMMISSION**

“Today’s ruling by the Court of Appeals is a major victory for New Yorkers who have repeatedly rejected a redistricting process tainted by politics and comprised of backroom deal making. Even the Democrat-appointed members of the court recognized the egregious gerrymandering of the congressional and legislative maps submitted by One Party Rule. The will of the people prevailed today.”
