Assembly Resolution No. 816

BY: M. of A. Rules (Thiele)

MEMORIALIZING Governor Kathy Hochul to proclaim  
May 2022, as Lupus Awareness Month in the State of  
New York

WHEREAS, Each year, the Lupus Agencies of New York State designate  
May as Lupus Awareness Month to show support for the 105,400 New  
Yorkers, 1.5 million Americans and 5 million people worldwide who suffer  
from the often debilitating effects of Lupus, a chronic autoimmune  
disease that can cause severe damage to the tissue and organs in the  
body and, in some cases, death; and

WHEREAS, Each year thousands of people are newly diagnosed with  
Lupus, the great majority of whom are young people in the prime of their  
lives, and 90% of whom are women; and

WHEREAS, Lupus is most prevalent among African-Americans,  
Hispanics/Latinos, Native Americans, and Asian-Americans; tragically,  
thousands of people die from Lupus each year because a cure remains  
elusive; and

WHEREAS, Many health professionals are unaware of symptoms and  
health effects of Lupus, causing people with Lupus to suffer for many  
years before they obtain a correct diagnosis and medical treatment,  
demonstrating the need for increased public and professional awareness  
of Lupus; and

WHEREAS, Medical research efforts into Lupus and the discovery of safer, more effective treatments for Lupus patients are under-funded in comparison with diseases of comparable magnitude and severity; and

WHEREAS, Increasing community awareness and focusing public attention on Lupus and its devastating impact on patients' lives will provide hope for a better future for those affected; and

WHEREAS, The Lupus Agencies of New York State are dedicated to improving the quality of life for individuals with Lupus and their loved ones by providing education, support and outreach services, and promoting programs of awareness, advocacy, and research; and

WHEREAS, This Legislative Body recognizes the needs of those chronically ill people who are living with Lupus and urges all citizens to support the search for a cure and assist those individuals and families who deal with this devastating disease on a daily basis; now, therefore, be it
