MEMORIALIZING Governor Kathy Hochul to proclaim  
May 21-27, 2022, as Safe Boating Week in the State  
of New York, in conjunction with the observance of  
National Safe Boating Week

WHEREAS, It is the sense of this Legislative Body, in keeping with  
its time-honored traditions, to recognize official weeks that are set  
aside to increase awareness of issues that affect the lives of citizens  
of New York State; and

WHEREAS, Attendant to such concern, and in full accord with its  
long-standing traditions, this Legislative Body is justly proud to  
memorialize Governor Kathy Hochul to proclaim May 21-27, 2022, as Safe  
Boating Week in the State of New York, in conjunction with the  
observance of National Safe Boating Week; and

WHEREAS, National Safe Boating Week is the U.S. Coast Guard and the  
National Safe Boating Campaign's Annual Week of Recognition to bring  
attention to important life-saving tips for recreational boaters so they  
can have a safer, more enjoyable experience out on the water throughout  
the year; and

WHEREAS, For nearly 100 million Americans, boating continues to be a  
popular recreational activity; during the COVID-19 pandemic, more people  
are taking to the water and enjoying fun outdoor activities such as

boating, sailing, paddling and fishing; and

WHEREAS, New York has some of the strongest boating laws in the Nation in order to help keep our boaters safe; and

WHEREAS, Safe boating begins with preparation and the Coast Guard estimates that human error accounts for 70 percent of all boating accidents, and that life jackets could prevent more than 85 percent of boating fatalities; and

WHEREAS, Boating is an extremely popular activity in New York State, from Lake Erie to the Long Island Sound; and

WHEREAS, Through simple boating safety procedures such as carrying lifesaving emergency distress and communications equipment, wearing life jackets, attending safe boating courses, participating in free boat safety checks, and staying sober when navigating, New Yorkers can help ensure boaters on New York's waters stay safe throughout the season; and

WHEREAS, On average, 650 people die each year in boating-related accidents in the United States and Bryan Johnson and Brianna Lieneck were among those who tragically lost their lives in boating accidents; and

WHEREAS, Following the losses of Bryan Johnson and Brianna Lieneck, the New York State Legislature enacted Brianna's Law mandating that all individuals operating propelled vessels take a boating safety course and be educated on the current laws in New York State about boating; and

WHEREAS, 76 percent of the people who die each year in boating-related accidents in the United States are fatalities caused by

drowning and most of these accidents are caused by human error or poor judgment and not by the boat, equipment or environmental factors; and

WHEREAS, A significant number of boaters who lose their lives by drowning each year would be alive today had they worn their life jackets; and

WHEREAS, This Legislative Body reaffirms its commitment to fostering continuing attention to boating safety in New York State, and encourages all New Yorkers to participate in Safe Boating Week; now, therefore, be it
