

NEW YORK STATE SENATOR

Patrick M. Gallivan

Senator Gallivan's Votes for Week of May 16, 2022

JIM RANNEY May 20, 2022

| ISSUE: **NYS SENATE**

The following bills were approved in the NYS Senate. Senator Gallivan's vote is noted.

S284C Requires the counting of an affidavit ballot of an eligible voter if such voter appeared at a polling place in the correct county but in the incorrect election district; provides that such vote shall not be cast and canvassed for such contests for which the person was not entitled to vote at such election. NAY (Would likely complicate and slow down the voting process.)

S3966B This bill would require a children's non-regulated camp to determine whether an employee or volunteer is listed on the state sex offender registry under Article 6-C of the Correction Law prior to the day the individual commences work and annually thereafter. Additionally requires such camps to contact the Office of Children and Family Services (OCFS) to determine if any employee or volunteer is on file with the statewide central register of child abuse and maltreatment prior to that employee arriving at the camp. AYE

S23B This bill would require that parking facilities with 50 or more spots constructed with State funding be capable of supporting electric vehicle charging stations. AYE

S244B Relates to human trafficking awareness and training; requires employees of lodging facilities to have training in the recognition of a human trafficking victim; requires the division of criminal justice services, the office of temporary and disability assistance and the New York state interagency task force on human trafficking to approve a human trafficking recognition training program. AYE

S1078B Requires instruction in pedestrian and bicyclist safety as part of the drivers pre-licensing course to educate prospective licensees on how to safely pass a bicyclist on the road, use of bicycle lanes and the dangers of motorists to bicyclists and pedestrians. AYE

S6202 Establishes a rebuttable presumption that every person who violates the prohibition against reckless driving and who causes physical injury, serious physical injury, or death to an other person shall be found to have acted with criminal negligence as defined in the penal law and shall be guilty of a class A misdemeanor. The legislation also requires the creation of a "Reckless Driving and Vehicular Violence" awareness component to be included as part of the required pre-licensing course. NAY (Fails to materially change the definition of reckless driving to be more expansive while at the same time folding lower-level traffic infractions (not exercising due care) into a new paradigm with potentially more severe punishments.)

S7610B Permits India Pentecostal Assembly, Inc. to file an application for real property tax exemption for property owned at 3 Avon Ct, Syosset. AYE

S7864A This bill would amend subdivision 12 of section 239-bb of the General Municipal Law by adding title five B of article five of the Public Authorities Law. It would ensure that the South Nassau Water Authority and North Shore Water Authority would be eligible to receive one million dollars each in relation to the countywide shared services panels beginning with state fiscal year 2021-2022. AYE

S431A This bill requires the Department of Health to establish a program for the synchronization of medications for patients with chronic diseases whose health care is provided under Medicaid fee-for-service or Medicaid managed care. Such program would be voluntary and must be in the best interest of the patient for the management or treatment of a chronic illness (such as heart disease, arthritis, COPD, asthma, depression, diabetes, etc.). AYE

S559 Directs the department of health to request guidance from the Centers for Medicare and Medicaid Services to determine whether the state can claim federal financial participation for coverage of and payment for certain prescription digital therapeutics. AYE

S968A Relates to how the Long Island Power Authority (LIPA) must prepare and submit emergency response plans. Requires LIPA to annually submit an emergency response plan to the public service commission for review; authorizes the public service commission to require LIPA to amend the plan and authorizes the commission to open an investigation to review the performance of LIPA in meeting the requirements of the emergency response plan. A PRINT - makes technical changes. AYE

S5648 This bill requires OMH to establish a training program for the diagnosis and treatment of post-traumatic stress disorder for military veterans. Such program will be posted on the agency's website. AYE

S7672 This bill adds fetal alcohol spectrum disorders, including fetal alcohol syndrome, partial fetal alcohol syndrome, and alcohol-related neurodevelopmental disorder to the definition of developmental disability. AYE

S7107B OPWDD DEPARTMENTAL - add Article 82 to the Mental Hygiene Law, identifying Supported Decision Making as a less restrictive alternative to guardianship and to create additional support and autonomy to individuals needing assistance to make decisions for themselves. Creates obligations and corresponding immunity forms liability for third parties in order to effectuate supported decisions made with a Supported Decision-Making Agreement. Allows regulations to be promulgated by state agencies serving a myriad of individuals who may benefit by less restrictive support, such as the Office for People With Developmental Disabilities, Office of Children and Family Services and the Office for the Aging. AYE

S554A Directs the office for the aging and the department of economic development to expand encore entrepreneurship in the state, to empower individuals fifty years of age or older to establish small businesses. A PRINT - makes a technical amendment to include identity theft in the current statute. AYE

S4529 Provides that outside of New York City an operator of a vehicle overtaking a bicycle from behind shall pass on the left at a distance of not less than three feet until safely clear. NAY (Not fairly applied across the entire state.)

S5130 Includes complete streets design features in resurfacing, maintenance and pavement recycling projects that are subject to the department of transportation's oversight. NOTE - Complete street design features are roadway design features that accommodate and facilitate convenient access and mobility by all users. NAY (Unfunded mandate on municipalities.)

S5237C This bill would make LIPA service providers responsible for the reimbursement of any spoiled food or spoiled medication after a residential home experiences a power outage lasting seventy-two consecutive hours or more. Additionally, the bill would make utility companies responsible for the reimbursement of spoiled food to local business owners. Maximum reimbursement is \$540 and \$10,700, respectively. C PRINT - requires LIPA to provide a \$25 credit to residential customers for each 24-hour period beyond the initial 72 hours that power is out of service. AYE

S8134 Provides that certain charitable annuities may be unisex in nature and shall be computed on the basis of currently applicable mortality tables for calculating the reserves for individual annuities; makes related provisions. AYE

S52A Establishes the Nassau county and Queens county border task force to review jurisdiction and boundary disputes. AYE

S8645 Permits residents of Orange county and adjoining counties to hold the position of assistant district attorney in Orange county. AYE

S1231A Directs counties and the city of New York to contact a veterans' organization to provide for the disposition of the unclaimed remains of a deceased veteran when such veteran has no next of kin or other person designated to provide for the disposition of his or her remains; provides process. AYE

S7912 Requires the Office of Information and Technology Services to adopt a protocol for state agencies and entities to maintain accessible websites. Requires such protocol to be published publicly online and a written report that documents the compliance of websites maintained by or on behalf of state agencies or state entities with the protocol be submitted on December 31, 2022, and every two years thereafter. AYE

S7859A This bill would require the New York City Housing Authority to create a searchable database regarding complaints made from tenants. The sponsor argues that NYCHA residents are having their requests for repairs or complaints closed when no actions have been taken. AYE

S1409B This bill amends title 1 article 25 of the PHL to establish a new section 2509, which would establish an infant recovery centers pilot program to consist of 4 infant recovery centers in areas of need in the state. AYE

S4412A Establishes an Alzheimer's disease outreach and education program for medical and non-medical professionals to promote earlier identification of dementia and to provide information and other assistance in finding community support for caregivers. AYE

S5084C Establishes the office of mental health, addiction and wellness. This bill would also convene a taskforce to oversee the merger of OASAS and OMH, ensuring that all savings achieved through the merger would be reinvested into the new agency. AYE

S8533A This bill allows dental assistants to place and remove temporary restorations in their practice, where supervised by a licensed dentist. AYE

S5676 Directs the commissioner of health to do a comprehensive assessment of the existing methodology used to determine payment for early intervention screenings, evaluations, services and service coordination; directs recommendations on reimbursement methodology

as well as needs under the program. AYE

S6738A Designates a portion of the state highway system in the city of Saratoga Springs as the "Marylou Whitney Way". AYE

S7255A Designates a portion of the state highway system in Ulster county the "Chief John 'Jody' Rossitz Memorial Bridge". AYE

S6889 Provides for state recognition and acknowledgement of the Montaukett Indians; provides that the Montaukett Indians shall have a chief or sachem, three tribal trustees and a tribal secretary; further provides for the qualification of voters; makes related provisions. AYE

S639 Authorizes the commissioner of transportation to conduct a study pertaining to a proposed expansion of the Long Island Motor Parkway trail. AYE

S3737A Requires the director of information technology services to undertake a detailed study of the comparative qualities of cloud computing services and state data center operations. AYE

S8399 Provides that uniformed court officers and peace officers employed in the unified court system shall be entitled to accidental disability retirement if they sustain injuries as the result of a physical assault by an assailant suffered while in service. AYE

S6761B This act provides for the establishment of minimum standards for licensure of water-based fire protection system installation, servicing, repairing, inspecting, testing and maintenance. It establishes penalties for improper business practices and prohibits unlicensed activities. AYE

S7416B Designates state route 394 through the town of Randolph, county of Cattaraugus as the "Staff Sergeant David Textor Memorial Highway". AYE

S7649 Designates a portion of the state highway system constituting the Francis Lewis Boulevard overpass at the Long Island Expressway in the city of New York, county of Queens as the "Detective Anastasios Tsakos Memorial Bridge". AYE

S8681A Designates a portion of the state highway system in the town of Parma, county of Monroe, as the "Specialist Jason Hasenauer Memorial Highway". AYE

S8398A This bill would authorize the Commissioner of Taxation and Finance to automatically extend a corresponding grant of New York state tax postponement relief to New York taxpayers to whom a federal grant of tax postponement relief has already been extended for any reason by the Internal Revenue Service via its published notice. AYE

S402B This bill would require DOCCS to notify an inmate's next of kin or personal representative prior to transferring the inmate and would allow the inmate to make at least one personal telephone call immediately prior to an inmate's transfer, except under exceptional circumstances. NAY (Potential safety concerns.)

S7527 This bill would add a new section 60.77 to the Criminal Procedure Law, which would create a presumption against the introduction of a defendant's creative or artistic expression, whether original or derivative against a defendant in a criminal proceeding. Such evidence may be introduced only if, after an offer of proof, the court determines that such evidence is relevant and admissible. NAY (Impacts the admissibility of creative expressions to prove essential facts beyond just the commission of the crime.)

S8313 This bill would alter the reimbursement methodology for funding for services of the office of addiction services and supports 1,700 substance use disorder prevention, treatment,

and recovery programs statewide. Currently OASAS providers are reimbursed based on costs experienced in the previous year through a grant process for approved net operating costs. Providers who experience a decrease in intake see a corresponding decrease in funding for the following year. This bill would address this discrepancy by changing how state aid is disbursed to programs operated by a local government or non profits to one based on a payment for services model where these providers would be reimbursed based on actual costs with providers being paid a fee for each particular service rendered. AYE

S263 This bill would require training for current and new board of elections employees. Requires the state board of elections to establish a curriculum to be completed by local election commissioners and other board employees, as the state board sees fit. The curriculum shall not exceed 30 hours. AYE

S823A This bill would increase the compensation for election officials in the following ways: Election inspectors, poll clerks and election coordinators from a discretionary amount set by local legislature to a minimum of \$300/day. Election inspectors in NYC from \$130 to \$300 and election coordinators from \$200 to \$350 Election inspector or poll clerk that attends a required training from \$25 to \$50. NAY (Increased costs to local entities.)

S4542A Prohibits BOE employees from engaging or participating in any trade or business which creates, or may tend to create, an actual or potential conflict of interest. AYE

S5800B Requires the State Board of Elections to establish a training institute to develop curriculum for certified poll worker training and train-the-trainer programs. AYE

S6226E Lowers the number of board of elections commissioners at the NYC BOE from ten to two - one republican and one democrat commissioner. Each commissioner would recommend at least three individuals for the position of executive director (one republican

director / one democrat director). NAY (The current structure of ten commissioners, two from each borough (1 R / 1 D), ensures all of the city's interests are heard at the Board.)

S6684A Requires every county board of elections employ at least four full time employees in addition to the commissioners. NAY (Unfunded mandate on some local counties. Too broad.)

S7382A This bill would allow people to give out snacks, water, soft drinks or other refreshments to people in a polling place or in line to vote at a polling place. NOTE - Under current law this activity is a Class A misdemeanor. NAY (Could lead to favoritism in voting for a certain candidate.)

S7442 Prohibits election commissioners and deputy election commissioners from holding a publicly elected office or from being the respective chair of the county democratic or republican committees. NAY (Adversely impacts smaller counties.)

S8289 Requires a public hearing prior to the appointment of election commissioners - both commissioners in NYC and outside NYC. Extends time a legislative body has to appoint such person from 30 days to 60 days after the filing of a certificate of recommendation with such legislative body. NAY

S8292 Requires a commissioner to meet certain qualifications before his or her appointment which shall include, but not be limited to, the qualifications prescribed by section three of the public officers law, and demonstrated experience in election administration or other management, operations, or administrative experience in the public, non-profit, or private sector as deemed sufficient by the board. The qualifications will apply to commissioners appointed thirty days after the promulgation of such qualifications. NAY

S8311 Makes commissioners full time employees of the board. NOTE - Some smaller counties have part-time commissioners as there is simply not enough work to justify having full time

election commissioners. NAY (Cost to counties who have to move from part time to full time commissioners.)

S8337 An election commissioner may be removed from office by an affirmative vote of a majority of duly confirmed commissioners of the state board of elections for incompetence, misconduct, or other good cause, provided that prior to removal, such election commissioner shall be given a written copy of the charges against them and have an opportunity to be heard in their defense. NOTE - Current law permits the Governor to remove a commissioner. NAY

S8332 This bill would exempt the income earned by election inspectors, poll clerks, or election coordinators from Federal adjusted gross income (AGI) for State income tax. AYE (Measure is intended to help increase the number of people signing up to work as election inspectors, poll clerks, or election coordinators.)

S3028A Requires the public service commission (PSC) and LIPA to establish standards of acceptable performance for electric corporations in the event of a power outage and subsequent power restoration. AYE

S8404 This legislation would provide more flexibility to mortgage guaranty insurers as they could request the DFS superintendent authorization to release contingency reserves if the financial condition of the insurer would warrant such a release. AYE

S6659 Provides that the legislative body of the county of Westchester shall fix the fee to be charged for a license to carry or possess a pistol or revolver and provide for the disposition of such fees. NAY

S190 This bill would amend the Public Officers law to define the terms "retiree" and "beneficiary". This bill clarifies that the names of retirees receiving public employees'

retirement benefits are subject to disclosure pursuant to a FOIL request, while the names of beneficiaries are not. AYE

S6655A Provides that public welfare officials shall not be required to limit authorized child care services strictly based on the work, training, or educational schedule of the parents; makes technical changes. NAY (Childcare that is paid for by the State has limited funding.)

S6170A This bill requires the Chief Administrator of the Courts to establish an electronic database of all eviction proceedings in the state. NAY (Unwieldly. No interface with local courts. Unfunded mandate. Focus on tenant. Not balanced in reporting.)

S2025B COSPONSOR This bill permits certain registered pharmacy technicians assisting in home infusion services through a home care agency to assist a licensed pharmacist in preparing prescriptions. AYE

S3763A COSPONSOR Provides for the licensing of vision impairment specialists. AYE

S8746 This bill would require physical therapist assistants to be licensed in New York. The American Physical Therapy Association's New York Chapter AYE

S2521C This bill would prohibit hospitals and health care practices from charging facility fees to patients when they are not covered by the patient's insurance unless the patient is provided prior notice. NAY (Too restrictive and costly.)

S6503 OCA DEPARTMENTAL - This bill would apply a rebuttable presumption extending the revocatory effect of divorce to relatives of a decedent's former spouse, unless there is substantial evidence to of contrary intent. NAY (Government intrusion.)

S8402 This bill amends §335-a of the Real Property Law, which governs easements by necessity, to expand these statutory provisions to include easements by necessity that

provide for and allow water lines and water service. AYE (Easements of necessity already allow for the installation of wires and conduits across certain mapped non-public roads, and this just extends those provisions to include water lines.)

S4809 Allows a person who receives a traffic summons to plead guilty and pay the associated fines or penalties over the Internet. AYE

S7127A This bill authorizes the NYS Attorney General to seek equitable relief to restrain any violation or threatened violation of section 191 of the Transportation law related to common carriers of household goods. AYE

S7423A Designates a portion of the state highway system in the town of Allegany as the "Staff Sergeant Shawn M. Clemens Memorial Highway". AYE

S8367 Relates to authorizing Niagara county to waive by local law certain fees for veterans' organizations, including but not limited to building permit review fees and fees associated with capital improvements to any post or hall owned by a veterans' organization located in the county. AYE
