Not pictured are Alec Goodman (Great Neck), Phoebe Smith (Port Washington), and Vicki Lin (Great Neck) who also participated in the program. Students in Senator Kaplan's fellowship program work alongside the Senator and her team to serve the

community and learn about the role of government in our daily lives.

Senator Anna M. Kaplan (D-North Hills) said “I’m so proud of the student leaders who participated in this year’s Summer Fellowship program in my District Office, and I’m deeply appreciative of their service to our community. I know each one of them is going to go on to accomplish great things!”
