

NEW YORK STATE SENATOR

Pamela Helming

Statement from Senator Helming on Labor Commissioner's Farm OT Decision

PAMELA HELMING September 30, 2022

| ISSUE: **FAMILY FARMS, AGRICULTURE**

The Labor Commissioner's order to lower the overtime threshold is absolutely the wrong decision. Albany didn't listen once again.

This is another policy that makes it harder to operate in the state. It threatens to drive family farms out of business and workers out of New York.
