Free Smoke Alarms Available for Nassau Residents through Senator Kaplan & Red Cross

SENATOR ANNA M. KAPLAN | October 26, 2022

| ISSUE: **SOUND THE ALARM, HOME FIRES, AMERICAN RED CROSS, RED CROSS, FIRE SAFETY**

Keeping our community and our families safe is my top priority. That's why I'm helping the American Red Cross **Sound the Alarm** about home fires.

Home fires happen more frequently than we'd care to think about, but there's a lot we can do to protect our families in the event of an emergency. **Smoke detectors are a key tool to help families escape a home fire safely, and thanks to my partnership with the Red Cross, any family in our community can get smoke detectors installed in their home free of charge.**

If you don't have a working smoke alarm in your home, please **click on this link**, or call my office at **516-746-5924** to set up an appointment to get a free smoke alarm installed in your home.
