| ISSUE: **SENATOR ROB ORTT, REPUBLICAN CONFERENCE, LEGISLATIVE LEADERSHIP**

“Congratulations to my friend and colleague Senator Rob Ortt on his re-election as the leader of the New York State Senate Republican Conference. I was proud to nominate him in recognition of his outstanding leadership and tireless dedication to building a safer, stronger and more affordable New York. As a combat veteran and elected official, he has never backed down from a challenge and always goes ‘all in’ for what he believes is right and just. Those qualities have not only defined his public service but energized our conference and strengthened opposition to the radical policies that have dominated Albany over the past four years. I look forward to continuing to work alongside Leader Ortt and our expanded Conference as we fight for the change that will save our state and secure its future.”
