Community Update: Session Begins, Committee Assignments, Seeking Interns

SHELLEY B. MAYER January 10, 2023

Dear Friends,

Happy New Year! I wish health and happiness to you and your loved ones. This past Wednesday was the very first day of the Legislative Session, and I am humbled to be sent back to Albany to work on your behalf.

I am honored that Majority Leader Stewart-Cousins has reappointed me to Chair the Senate Committee on Education. I will also be a standing member of the Senate Committees on Cities 2; Corporations, Authorities, & Commissions; Elections; Judiciary; Labor; and Rules.

As always, if there is anything my office can assist you with, please email me at smayer@nysenate.gov or call (914) 934-5250.

Warm regards,

Shelley B. Mayer

State Senator

37th District
