Senator Cleare Announces Her Support for One Fair Wage

SENATOR CORDELL CLEARE January 26, 2023

| ISSUE: **MINIMUM WAGE**

Senator Cleare is proud to support the @1fairwage_official One Fair Wage Movement; the archaic subminimum wage must end and the dignity of all work must be respected and valued!

I am proud to join OFW and so many hardworking folks in the restaurant industry to advocate for passage of legislation this year to end the barbaric subminimum wage and ensure that all workers are paid a full living wage!
