Volunteer Fire Association

WHEREAS, Fire departments are an integral part of community protection services in every locality of our State; for 101 years, the Mohegan Volunteer Fire Association has worked to provide the best possible emergency service to the people of Mohegan, New York, and to minimize suffering, and loss of life and property incurred by fire, accidents, disasters, and medical emergencies; and

WHEREAS, This Legislative Body cannot express sufficient gratitude to those devoted individuals who recognize that the preservation of life and property is a sacred responsibility and who make that responsibility their own by serving as firefighters; and
