

NEW YORK STATE SENATOR

Robert G. Ortt

Statement from Senate Republican Leader Rob Ortt

ROBERT G. ORTT May 5, 2023

| ISSUE: **MENTAL HEALTH, PUBLIC SAFETY**

Our conference has continually called for better investment in mental health services and restoring public safety - both played a role in this horrible tragedy.

Rather than weighing in on behalf of someone with 40 + arrests or calling for the indictment of a US Marine, politicians should focus on fixing these issues and let the justice system play out as it's intended to.
