Out and About! Community Events Around My District This Week

Happy New Year

I hope you and your family enjoyed the holiday season. I would like to wish everyone a very Happy and Healthy 2011.

Earlier this week, I was in Albany for the State of the State Address, delivered for the first time by Governor Andrew Cuomo.

I look forward to working with Governor Cuomo and Lieutenant Governor Duffy on capping property taxes, reducing spending, reforming our State government, and getting our State back on the right track.

As I prepare for the upcoming legislative session, which begins next week, feel free to contact me regarding your thoughts and ideas at robach@nysenate.gov.

The Town of Greece is hosting a Martin Luther King Jr. Family Craft night on Monday, January 10th (one week before Martin Luther King Jr. Day) from 6:00 until 7:00 p.m. For more information, visit www.greecenyny.gov.

On Tuesday, January 11th, the Greece Historical Society presents "The Women in George Eastman's Life", a lecture by Kathy Connor. For more information, visit www.greecehistoricalsociety.net.

Verizon Wireless Opens New Store

This past week, I had the privilege to attend a grand opening ceremony for the new Verizon Wireless store on Jefferson Road in Henrietta. During the ceremony, Verizon Wireless presented a check to the Salvation Army Rochester Area Resources for \$10,000. For more photos from this event, and other events throughout the year, you can follow me on Facebook or visit my website at www.robach.nysenate.gov.

Also, next week, a retirement party will be held for Roger Battaglia, who is retiring after 27 years of leadership at St. Joseph's Villa. Best wishes to Roger in his retirement!
