Out and About! Community Events Around My District This Week

Legislatively Speaking

This week, my fellow Senate colleagues and I passed the 2011 Job Creation and Taxpayers Protection Act.

This measure sets a clear signal about our priorities for 2011 - cutting spending, protecting taxpayers and helping the private sector create new jobs in our community.

Under this plan, businesses will keep the tax withholding on any new job they create (often totaling thousands of dollars). This will allow businesses to invest that money in their own business as they see fit.

The plan also eliminates burdensome regulations that are obstacles to job growth and the corporate franchise tax for hundreds of small businesses with fewer than 50 employees.

Maplewood YMCA Unveils Renovations

Earlier this week, I had the opportunity to attend the re-opening of the Maplewood

YMCA. As a child and young man attending this Y, it is remarkable to see the progress that has been made on this great facility in our city. For more pictures and additional information on the renovation, follow me on Facebook.

Tomorrow, Saturday, January 22nd, Infinite Mindz Media will be holding a family dinner for the families of murdered victims. You must RSVP to attend, and for more information, or to register, call Nicholle La Vann at 406-5313 or e-mail at nicholle@infinitemindz.org.

On Sunday, January 23rd, The Vietnamese Community of Rochester will celebrate The Vietnamese New Year during a celebration at St. Helen Church Hall beginning at 1:30.

Thursday, January 27th, I will have the honor to present an American Flag to Miss Evelyn Lashley, and 81-year old resident who will receive her United States citizenship on February 10th.
