Out and About Events Around My District This Week

Legislatively Speaking

Earlier this week, I was proud to support legislation that would toughen laws and penalties for sex offenses. Some of the legislation passed include: a measure to create graduated levels of criminal justice for large scale producers and distributors of child pornography; and a bill to expand the unsealing of criminal histories for the purpose of investigating applicants for employment by police departments and other law enforcement Agencies. Also, a bill I introduced was passed requiring that when a sex offender is sentenced to probation, and he/she violates that probation with another sex offense, that the sentences of incarceration imposed for the probation violation and for the new sex offense run consecutively and not concurrently. You can read more about this on my website at www.robach.nysenate.gov. These bills were sent to the Assembly.

Evelyn Lashley Receives American Flag

Recently, I had the opportunity to meet Evelyn Lashley, an 81-year old resident

and client of the ARC of Monroe County. Evelyn received her United States citizenship earlier this month. To mark this momentous occasion, I had the privilege to present her with an American Flag. For more photos, follow me on Facebook at www.facebook.com/senatorjosepherobach.
